Sir:

Upon review of the file after receipt of the Notice of Allowance, it was noted that the citation to U.S. Patent No. 5,340,909 to Doerr et al. in the Supplemental Information Disclosure Statement was included in the Form PTO-1449 as 5,440,909. Accordingly, Applicants are submitting a Form PTO-1440 submitting a corrected number of the patent cited in the Supplemental Information Disclosure Statement.

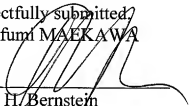

The Examiner is requested to initial this form and to forward a copy of the initialed form so that the face of the issued patent will reflect the Examiner's

consideration of U.S. Patent No. 5,340,990 as cited in the Supplemental Information Disclosure Statement.

As the originally filed Supplemental Information Disclosure Statement includes the correct citation and this completion of record is correcting an error of a typographical nature in the form submitted therewith, it does not appear that any fee is necessary. However, authorization is hereby provided to charge any required fee to Deposit Account No. 19-0089.
